I recommend that each person have his/her own copy to highlight and/or take notes in the margins for further study and discussion.

Men take the lead:

1. Set aside a time each day to read a chapter aloud.
You can take turns reading if you like, but you need to be the one to get things going. It will make her feel loved & cherished.
2. Following each chapter, guide your discussion using the framework below.

PART 1: A DELIGHTFUL INHERITANCE

Chapter 1: Once Upon a Time

1. Ask your bride, "What part of the story stood out to you most?"
2. Then ask her, "What were you feeling as you listened?"
3. Share with her the part of the story that stood out most to you.
4. Tell her what feelings came up for you as you were reading.
5. Summarize the differences in how you each experienced the story.
